IDEAS BROUGHT TO LIFE

YOUR IDEAS, OUR CREATIONS

This catalogue presents examples of possibilities,
but everything can be made to order.

A specific need, a new idea or a custom project?
We support you from concept to finished product.

You provide...

- An idea
- A sketch or a drawing
- A reference or inspiration
- A short brief or a few notes

... and we take care of the rest!

- Design & 3D modeling
- Adaptation & optimization
- High-definition 3D printing
- Finishing to your needs
- Unique piece or small series

PEOPLE × IDEAS × 3D PRINTING × A MORE CREATIVE FUTURE

CUSTOM 3D PRINTING

IDEAS
THAT COME
TO LIFE

WHY CHOOSE ODD3D ?

The ideal partner for your collections, retail shops and custom projects.

Made in France

Local production, direct contact
and personalized project follow-up.

Key benefits for professionals

- **Accessible small series:** produce without large industrial quantities.
- **Limited upfront investment:** no costly molds or tooling.
- **Test your market:** launch a collection with a reduced financial risk.
- **Flexible and responsive:** adapt your orders to sales and seasonality.

Our expertise

- **Design & prototyping:** from concept to a production-ready model.
- **Complete customization:** designs, sizes, materials and finishes.
- **High-precision 3D printing:** resin up to 12K, fine details and smooth surfaces.
- **Scalable production:** from prototype to recurring production.

DESIGN × PROTOTYPING × PRODUCTION
